SELF ADVOCACY

Students learn how to develop and use self-advocacy / self-determination skills, as well as learn what organizations and resources are available to them.

JOB EXPLORATION

Students are given opportunities to research different career options and make contacts through on site tours.

INDEPENDENT LIVING

Meaningful opportunities are presented to utilize the required skills needed to maintain a healthy and meaningful life style and work life. Students build skills that promote increased independence.

WORK BASED LEARNING EXPERIENCES

Provides opportunities for students to discover and share individual interests and gifts with others in the community while learning skills that could be developed for future employment.
