

Three New Laws Supporting People with Disabilities in Wisconsin

Supported Decision Making

As of April 16th, 2018 Wisconsin, is the fourth state in the nation to have a Supported Decision-Making Law; no other state's law is as comprehensive and stands to benefit so many of its citizens. People who can use Supported Decision-Making agreements include people with intellectual/developmental disabilities, people with physical disabilities, people with mental health conditions, and people of any age with degenerative diseases or conditions that substantially interferes with activities of daily living or with the ability to provide self-care. Employment First

On March 28th, 2018 Governor Walker signed the Employment First bill into law. The law requires state agencies (DVR, DHS, DPI) that provide services and supports for people with disabilities to make competitive paying jobs in the community the priority. It also requires these agencies to develop a plan as well as benchmarks and goals to increase the rate of competitive paying jobs in the community.

The Employment First legislation is now known as 2017 Wisconsin Act 178, direct link to statutory language here: <https://docs.legis.wisconsin.gov/2017/related/acts/178>.

Partners with Business

The Partners in Business Disability Employment Law provides direct support and technical assistance to businesses interested in hiring people with disabilities. The Partners in Business legislation is now known as 2017 Wisconsin Act 323, direct link to statutory language here: <https://docs.legis.wisconsin.gov/2017/related/acts/323>. This law expands a successful model that has resulted in a 75% community employment success rate during the project.
