

# Virtual Community Conversation

**Communities benefit from diversity and inclusivity, and people with disabilities want to make meaningful connections and contributions in their communities.**

Join this Community Conversation event to:

- Connect with community members
- Learn how you can cultivate community inclusion for people with disabilities
- Find solutions and opportunities to meet your community engagement needs
- Help our community become more diverse, inclusive and welcoming for people with disabilities

## You're Invited!

Individuals with disabilities, family members, friends, community members, employers, elected officials, educators, and organizations serving adults with disabilities across the state of Wisconsin are invited to attend.
